There was a sheet (or sheets if you requested more than one client) with each senior's Secret Santa "wish list". Many of them are in the seniors' own handwriting.

Some of the requests are beyond the \$40 gift estimate we have communicated. They appreciate any little thing done for them so please don't feel badly if you can't buy every item on the list. We just ask that you do what you can for your senior and circle on the "wish list" any item you cannot purchase. Return that page to us along with your gift(s). Also, if you plan to spend \$80 or more, please consider requesting a second wish list instead of doing so.

Please include gift receipts if at all possible. If you purchase a gift card, please be sure to include the receipt that reflects the value amount of the gift card (put it in the envelope with the gift card).

Also, you may see some special need items they requested which we have indicated as 'MOW to handle' (such as Depends, walker, large ticket items, etc.). We are handling those requests through special processes outside of the holiday shopping program so please disregard them.

Place your gift(s) in a gift bag and place a label with the Client's Name, Identifier Number, and Route in a prominent location on your package. Please put your gift items in as few packages as possible. If the gift must be more than one package, please write how many packages are included on your label and tell us about it when you drop off the gift so we can put additional labels on the other packages. Peggy will also be back at the November meeting to pick up the bags/gifts.

PLEASE DO NOT BUY FRESH FRUIT OR FOOD THAT WILL PERISH IN LESS THAN 1 MONTH.

If you have questions, please email clickp@mealsonwheels.org or call 469-575-3293.

Thank you and have a wonderful Holiday Season!
