

**2026 February President's Note**

Hope everyone stayed safe and warm during our January arctic blast. Can't say I was very productive, couldn't get motivated to get anything done.

Glad the new meeting place seems like it will be a good fit for us. Looking forward to our upcoming speakers.

Don't forget to find a committee to get involved with. Please consider volunteering for a board position for next year and think about shadowing a current board member to make transitioning easier. It takes everyone stepping up and taking a turn to make the guild continue as the great guild we are.

Thanks and happy quilting - Gisele
